Take a look today at this rare opportunity for an ALMOST NEW home in a non-HOA community! This oversized lot (.47 acre) boasts a large fenced-in backyard at the end of a quiet dead end street. Make this home yours with the Master Bedroom downstairs and an open concept floorplan. This bright & sunny home has an additional 4 bedrooms and a bonus/flex room upstairs. The Master Suite had a large walk-in shower, walk-in closet and a linen closet. There is an incredible amount of storage in this home with deep closets throughout the home. The kitchen has a large center island with breakfast bar and opens to the casual dining area and spacious Living Room. There is beautiful and durable vinyl flooring throughout the main living areas. There is also a wonderful flex space on the 1st floor that could be a dedicated home office or a formal Dining Room. Sliding glass doors off the Dining area lead to the rear covered porch for additional space to enjoy for grilling or you can have screened in. There are blinds and ceiling fans already in place so there is nothing to do but move right in! This is just a few minutes from grocery stores, shopping, restaurants, golf courses, gorgeous beaches and so much more. This home is a must see!
